

Sir,

We have received information from the ACS that your article has been approved for publication

DOI: 10.1021 / acs.jpcc.2c05259

You are affiliated with an institution participating in the ACS consortium license, coordinated by ICM. Under this license, you are entitled to publish your article in the open access model without paying any publication fees - more information on the website:

https://wbn.icm.edu.pl/publikowanie-otwarte/#acs_oa

Please let us know if you are interested in such publication and ICM will provide confirmation to ACS.

Please also let me know if you chose the open publishing option when completing the Journal Publishing Agreement (JPA3) form - if not, we will ask ACS to make this form available again so that you can

choose this option and sign a CC-BY license OA publishing agreement.

Kind regards,
